 Subject: [External] RE: SCE&G Rates

TO WHOM IT MAY CONCERN:

When I read the article in the newspaper today, I was appalled. How can you vote in favor of SCE&G and Dominion instead of the consumers you represent in SC? You have given us nothing!!! Constantly my prices went up every few months because of the nuclear plant that will never be. I am freezing in the winter, and burning up in the summer trying to lower my bill, and here you sit doing nothing to help us. I am 73 yrs.

old. All you care about is the big companies. If I could have shown up for your meeting, I would have because I have a lot to say.

It stated in the paper the 727,000 customers of SCE&G had no voice, and that is because of YOU!!! The paper said Dominion will make us pay more because of their debt, which is terrible. There is \$1million debt everyday that Dominion should pay, not us. In the end, each house will be charged an extra \$16,250. We were supposed to be given \$1000 cash at one time, and I haven't heard about that happening.

You get the letters from us and see what we go thru but do not care. STOP giving Dominion more money from us. You have the power.

We do not!!! If I was younger, I would sue you, SCE&G, Dominion & the Governor. When something happens to my health because I cannot afford my light bill anymore, I will just pass the information to my family and let them sue you. I only live on social security of \$1000 a month.

DO SOMETHING FOR THE PEOPLE THAT PAY YOUR SALARY INSTEAD OF THE BIG COMPANIES!!

Stephanie Newman
